

SAUG SIG / Regional Group / Adelaide

PUT YOUR SAP & SAP BUSINESS OBJECTS KNOWLEDGE ON THE FAST TRACK

SAP Education works with you to build a culture of continuous blended learning – and realise a measurable return on education. SAP is committed to providing flexible training options for our customers. We have scheduled the following SAP and SAP Business Objects courses in Adelaide in 2009.

Remember that courses are added to the schedule based on demand, so we encourage any feedback from you to ensure we capture your interests and needs.

[Request a course TODAY.](#)

Or simply call the Education team on **+61 2 9935 4510** to discuss your requirements. Take the time to review the course descriptions in the [training catalogue](#).

SAP	Date	Price (ex GST)
SMI310 – SAP Solution Manager: Implementation Tools In Detail	22-24 April	AUD 3,150
SCM500 – Business Processes In Procurement	27 Apr – 1 May	AUD 4,750
BW305/ TBW20 – BI Enterprise Reporting, Query & Analysis	11-15 May	AUD 5,250
AC010 – Business Processes in Financial Accounting	18-22 May	AUD 4,750
IPS510 - SAP Public Sector Collection & Disbursement	15-19 June	AUD 4,750

You can take advantage of instructor-led training at an SAP Education site (as per the Adelaide schedule above), or we can provide it at your own facility. We encourage you in this economic climate to embark on cost contained training delivered through e-learning courses; online knowledge products and virtual classroom training.
